Local native DJ Big Myke Destiny

made a name for himself in the music industry as an on-air radio personality in California's San Francisco Bay Area. For 15 years, Myke produced and hosted the very popular and well received Big Guitar Show on KFJC 89.7 FM, and was twice nominated as Best Radio Program by the Coalition for Eclectic Radio. Highlights of The Big Guitar Show included live in-studio performances by bands and interviews with musicians such as Reverend Horton Heat, Gene Vincent's Blue Caps, Mojo Nixon and numerous others. An avid record collector and music buff, Myke now runs Cracked Piston Recordings, a small independent record label, and offers full turn-key CD/DVD duplication and mobile deejay services.

An ever present character in the Rockabilly scene, Myke has hosted and performed at various venues and events in the San Francisco Bay Area.
